LASTRADA USER CONFERENCE

Test Houses

Time	Speaker	Topic
09:00		Arrival of the delegates, coffee
09:30	Dr. Andreas Janker	Opening by the conference chair
Lectures		
09:40	Dr. Hermann Jung	New developments and functionalities in LASTRADA
10:00	Robert Albrecht	New: Management Dashboard and Laboratory Infobox New dashboard for the management access and real-time news window for the laboratory staff.
11:00		Coffee break
11:30	Konrad Jung	Performance Indicators Presentation and discussion of new statistical methods and key performance indicators
12:00	Konrad Jung	Distribution of Laboratory Data via the Internet Provide quality data via internet to all stakeholders (reports, statistics) New evaluation tool: customise the access for each receiver
12:30		Lunch
LASTRADA Workshop		
13:30	Moderator Dr. Hermann Jung	LASTRADA workshop for selected topics of the delegates, such as: - Sample management - Testing modules concrete, asphalt, aggregates, soil, cement - Construction site quality control - ...
15:30		Coffee break
16:00	Moderator Dr. Hermann Jung	Open discussion, suggestions and wishes of the users for the future development of LASTRADA
ca.17:00		End

30.01.2014

LASTRADA USER CONFERENCE

Plant Laboratories/Materials Producers

Time	Speaker	Topic
09:00		Arrival of the delegates, coffee
09:30	Dr. Andreas Janker	Opening by the conference chair
		Lectures
09:40	Dr. Hermann Jung	New developments, functionalities and interfaces in LASTRADA
10:00	Dr. Hermann Jung	Lessons learned: Implementation of the EU Construction Products Regulation
10:30	Robert Albrecht	Record and track all NCRs systematically Presentation and discussion of the new "Non-Conformity-Reporting" module
11:00		Coffee break
11:30	Konrad Jung	Performance Indicators Incides for ongoing quality assurance and quality improvement: - Presentation of new statistics and control charts (CUSUM, X-bar R) - Plant overview featuring new KPIs (Ppk, Cpk, PWS, etc) - Automatic reporting
11:55	Dr. Roanld Rasch / together with Michael Strauss Fa. Eberhard Bau AG	Concrete: Efficient Integration of Laboratory and Production XML divery ticket
12:30		Lunch
		LASTRADA Workshop
13:30	Moderator Dr. Hermann Jung	LASTRADA workshop for selected topics of the delegates, such as: - Factory Production Control asphalt - Factory Production Control aggregates - Factory Production Control concrete - ...
15:30		Coffee break
16:00	Moderator Dr. Hermann Jung	Open discussion, suggestions and wishes of the users for the future development of LASTRADA
ca.17:00		End

31.01.2014

LASTRADA USER CONFERENCE

LASTRADA Training

Time	Speaker	Topic
09:00		Arrival of the delegates, coffee
		Training
09.30	JPSC Team	Training "How to Create Templates with LASTRADA" You will learn a) how to use the template toolbox b) how to create templates from scratch c) how to find and modify (standard) document examples d) tips and tricks
11:00		Coffee break
11:30	JPSC Team	Training "How to Create Templates with LASTRADA" You will learn a) how to use the template toolbox b) how to create templates from scratch c) how to find and modify (standard) document examples d) tips and tricks
13:00		Lunch
14:00	JPSC Team	Training "Statistics with LASTRADA" You will learn about old and new statistical possibilities such as control charts, time series, histograms and Key Performance Indicators
15:30		Coffee break
16:00		Questions and answers of the users
ca.17:00		End
